**MOTION TO HAVE THIS COURT'S JUDGMENT RECOMMEND THE SATELLITE
CAMP AT THE FEDERAL CORRECTIONAL INSTITUTION, MCKEAN,
PENNSYLVANIA, AS THE PLACE OF CONFINEMENT**

Now comes the defendant, Enrico Botta, and respectfully requests this Court recommend in its Judgment committing the defendant to the custody of the Attorney General that, if eligible, the defendant be allowed to serve said sentence at the Satellite Camp at the Federal Correctional Institution, McKean, Pennsylvania.

As reason therefor, the defendant represents as follows:

1. The defendant has a criminal history category one. His conviction does not involve any threat or action of force or violence.
2. The Satellite Camp (1) has a good health service staff, (2) houses defendants convicted of generally similar offenses, (3) is relatively close to a major airport for family members who may wish to visit, and (4) has a five hundred hour drug rehabilitation program.

Wherefore, it is respectfully requested that this Court recommend in its Judgment that, if eligible, the defendant be confined for service of his sentence at the Satellite Camp at the Federal Correctional Institution, McKean, Pennsylvania.
